Mi casa et Su casa

Micasa Kitchen and Bar is your neighbourhood gateway to rustic European dining. From succulent paellas, to mouth-watering Tomahawks and rich European wines, Micasa embraces Chef Micah's vision for a high quality dining experience without sacrificing substance.

Our menu is curated from locally sourced fresh produce that serves to engage the local community. Each dish is modified to fit the local palette with its countryside European essence lovingly preserved.

Inspired by Spanish Cava cellars, we pride ourselves in creating a space that envelops you in comfort to hide away from the hustle and bustle of everyday life. With Family at the heart of everything we do, we want our guests to feel right at home in our Casa.
